

**Mountain & River Adventures
CAMPGROUND CANCELLATION POLICY**

****PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE****

MRA campground rules and policy must be read prior to confirmation.

Your initial payment of 50% is due within 10 days of reserving your camp site(s). Final payment is due 30 days prior to your first camping date if reservation date is before May 1st. If reserving within 30 days of camping or after May 1st, full payment is required at reservation time.

To receive a camping refund, Mountain & River Adventures (MRA) must receive a **written request**, fifteen days prior to your scheduled arrival date. Camping refunds are given, less a \$25 processing fee for the first camp site, plus \$5 per each additional site reserved. Refunds are not available if you choose not to fulfill your agreement, are asked to leave, do not make proper notification or fail to show up. Refunds will be mailed within 30 days of receipt of qualified cancellation.

A clean-up fee will be charged to you if you leave your camp site(s) unclean. Please contain all garbage in your camp site, and when full, place bagged garbage in bins centrally located in campground. Garbage bags will be made available upon request; however this is your responsibility.

MRA campground has a three (3) night minimum on all holiday weekends and is \$48 per site, per night on Friday, Saturday, & Sunday with (6) people per site. There is a two (2) night camping minimum on all other weekends. Camp site prices are \$42.00 per site, per night; up to six (6) people per site. **If you are booking an activity with MRA you will receive a discount on each campsite booked.** All camping reservations require a credit card payment to hold your reservation.

MRA reserves the right to book our Amphitheater, and Bud's grove located at our campground for Special Events. Upon booking special events the areas listed will be available to all other camper's once the event has been cleaned up. We will notify campers of the time and date of a special event, so camper's can plan to use these areas before or after events.

Campers are encouraged to bring a "mess kit" (eating utensils) for each camper. MRA encourages each of our camping guests to help preserve our pristine environment by creating less trash in the first place. When planning to visit the Sequoia National Forest, remember to pack items such as reusable/washable food containers and eating utensils, use cloth towels instead of paper, and bring reusable water bottles. These are just a few examples of how you can generate less trash, save room in our landfills and leave behind something precious for future generations. Thank you for respecting our forest.

Mountain & River Adventures reserves the right to refuse service to any individual or group. Camping rights will automatically be terminated without refund.

I have read and acknowledge the stated campground rules, and MRA cancellation policy. I agree to use MRA campground facilities with respect, cleanliness, and regard for my neighbor(s). I understand that a **\$35.00** per site clean-up fee will be charged to me if I leave my camp site(s) unclean (e.g. trash on ground or in fire ring). **Camping reservations are not considered confirmed until MRA receives a fully executed copy of this document.**
