

LOWER KERN TRIPS

Just a few hours from Los Angeles, the Lower Kern is a superb rafting challenge. Our one day class 4 run on the Lower Kern is one of the best whitewater rafting trips in Southern California. With reliable, sustained daily flows, Lower Kern trips are continuous stretches on either class III or Class IV sections. Class IV trips have a portage around the class 5 Royal Flush rapid. All full day trips will have a midday break for a delicious deli-style lunch.

AGE LIMITS

The minimum age on our Lower Kern trips is ten years old (twelve years old during high water). This age limit is in place for the safety of your child, the safety of our other guests and our guides.

ALCOHOL

If you bring alcohol on your trip, we ask that you drink in moderation and only while in camp, in the evening. Consumption of alcohol is prohibited while rafting or prior to rafting for your safety and for the safety of your fellow guests and our guides.

TIPPING

Guests sometimes ask whether gratuities are appropriate. If you enjoyed your trip, please feel free to leave a tip with your guide, the trip leader, or office/store personnel. Thanks!

GUIDES

Our guides are experienced, skilled whitewater boaters. They are knowledgeable about canyon ecology and natural history. Should the need arise they are trained to administer First Aid. Guides can also provide information on organizations that work to preserve and protect rivers and river canyons.

EQUIPMENT

We furnish rugged inflatable rafts, 12 to 16 feet in length. We provide accessory river equipment, life vests, first aid and safety supplies. Do not bring your own life vest. Ours are approved for rafting and we require that they be worn by all guests. On most trips, the majority of passengers ride in paddleboats. A paddleboat is piloted by a guide, assisted by four to six passengers.

HELMETS

Safety helmets are available at no additional charge to guests joining us on any stretch of river that we run. Helmets are REQUIRED for our Class V trips and are strongly recommended on all stretches of the Kern, when rafting on water flows below 1,000 cubic feet per second. Clients expressly assume all risks associated with their refusal to use or properly use helmets or other safety equipment.

PERMITS

Our trips are conducted under permit issued by the U.S. Forest Service, Sequoia National Forest. Our permit is your assurance that Mountain & River Adventures is legally operating on the river. Our operations and facilities are operated on a nondiscriminatory basis.

RESPONSIBILITY

Trip participants should understand that river trips involve known and unknown risks. Mountain & River Adventures assumes no responsibility for injuries, death or loss-damage to client's property while on the river. All clients must sign a Participation Agreement, Release and Assumption of Risk expressly acknowledging these points. Mountain & River Adventures assumes no responsibility for vehicles and/or the contents of vehicles parked during the trip. Because of the risks associated with river trips, including personal injury, death, property loss or damage or financial loss in the event of trip cancellation, we urge all trip participants to supplement their own insurance with vacation insurance such as TravelGuard.com

YOUR HEALTH

Our Kern River trips are fun, fast and challenging. To participate, you should be in good health. You may also need to perform certain physical activities. These include basic swimming; hiking in rugged or uneven terrain, climbing in or out of rafts and assisting in your rescue, if that becomes necessary. Please let us know when you return your Participant Agreement, if you have any health or dietary restrictions. We will gladly accommodate reasonable dietary restrictions with advanced notice.

PERFORMANCE

It is sometimes necessary to cancel or modify a trip because of unusual circumstances beyond our control. In such cases, we cannot be responsible for paying expenses other than refunding all or part of the fees paid to Mountain & River Adventures. Determination of refunds (if any) will be made after reviewing trip details. Guides and other personnel employed by Mountain & River Adventures are not authorized to make or promise trip refunds or trip credits. Such determinations can only be made by company officers.

CANCELLATIONS

If you cancel, for any reason, less than 30 days prior to your trip date, you are not eligible for a refund or store credit.

Written cancellation notice received by our office more than 30 days prior to the trip date will result in a refund of your deposit paid less a \$25 per person processing fee. If you must cancel at the last minute, try to find a friend to take your place. Please read our Cancellation Policy that you received with your reservation confirmation.
